Agenda:

0. Ratification of minutes of last meeting
1. Updated financials with projectwise report on the funding status as well as overall chapter financial status. Projectwise financials is attached here. Chapter financials will be sent shortly.
2. Ramakrishnan and Venkatraman have been doing two parts of the treasurer's work. Formally make them co-treasurers of Asha Chennai.
3. Evaluate the following additional expenses for the mini-schools.
 - Nutritional assistance for select mini-schools where there is significant poverty at Rs 10 per child per day. We have identified 5 such school at Sangamam and 2 at Pearl.
 - Teachers have spared us their houses for the mini-schools. Frequent use by young children causes some damage to the house. Also there are existing problems in the house like leaking roof. Further during these rains it would be good to have mats for the children to sit on. The last item is also required for mini-schools run in public places. Further at the mini-schools run in public places (bigger ones esp) it makes sense to engage some Ayah to clean the place regularly. Some monetary provisions for these will be warranted.
 - There is also a need to transport some children from their hamlet to the mini-school in couple of cases.
4. Update on Senior teacher promotion discussion. This will be updates across Sangamam, Pearl and Thulasi. The plan is to just promote three teachers in Sangamam.
5. Updates from Pearl and Sangamam visits to mini-schools.
6. Updates on accounts and fund raising.
