

Agenda for Asha Chennai on 22nd March, 2020

0. Ratification of February minutes.

1. Misc updates

- Pearl - new office.
- Thulasi - excess plan sent to Trimble.
- Ford and Glovis computers distributed successfully.
- Sangamam Rajatalab - Conference with Austin. Proposal to be readied soon.

2. Compensation when teacher is injured in the line of work. For eg. fell down in the school or accident on the way to office or school etc.

3. Covid-19 planning

- Fundraising issues in US (will forward emails shortly).
- Work from home for our teachers (already I shared the details for govt school projects and Saraswathi for Manigal).
- Salaries for March, April and May -- Need to vote on proposal. I am proposing full salary for March, full salary minus conveyance for April, full salary for May. Note full salary for May because we calculate conveyance assuming 20 days per month as they will also get that in May even though they dont travel much.
- Asha Impressions and RightStart.
- Funds for any emergencies
